Final Decision : Motivational Video

"Get Moving, Get Active"

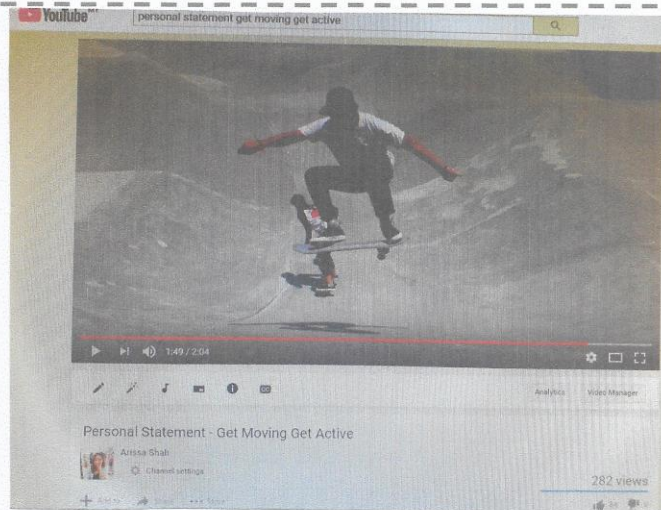

I choose to make this Video because i think it will be an interesting personal statement video that will also motivate others to be active and not be afraid of trying new things and not fear anything at all. I hope people will get motivated from my video.

05. In less than 100 words describe your final product and the briefly about the idea development CTS | JAN 2018 | IDJ:

My video is about how active I am. I will never skip a day without exercising. I don't quit and I like the pain after working out. I don't run away from fears and I believe that winners never quit. That is why I don't quit. I also like trying new things. Recently I started skateboarding and now I love it. Never be afraid to try new things. It is a personal statement video + a video that will motivate others too.

Provide a picture / sketch of the final product:
